Executive Summary

Motivated software developer with hands-on experience in Flutter, Firebase, and backend development. Skilled in building production-grade applications and collaborating effectively in team environments.

Skills

- **Languages & Frameworks:** Flutter, Dart, Java, JavaScript, Node.js, Spring Boot
- **Backend Knowledge:** Basic backend development, REST principles, authentication, and server-side logic
- **Tools & Concepts:** Git/GitHub, REST API, Postman
- **Databases & Platforms:** Firebase (Firestore, Realtime Database), Postgres

Work Experience

Backend Developer Intern at Levitate Studio Sep 2025 – Current

- Worked on backend development tasks including API design, server-side logic, and database structure planning.
- Collaborated with the mobile app team to deliver stable and optimized API endpoints.

Software Developer at OceanAcademy Sep 2024 – Sep 2025

- Built and deployed two production-grade Flutter applications using Firebase as the backend.
- Developed **Green Puducherry** a plant growth tracking application.
- Developed **S.K.I.N** a job seeker platform connecting users with employment opportunities.
- Implemented authentication, database management, and cloud functions using Firebase.
- Identified and resolved production bugs while improving performance and user experience across devices.

Projects

Green Puducherry

Developed a production-grade plant growth tracking application using **Flutter** and **Provider**. Implemented features for plant monitoring, daily updates, and user-friendly UI components. *Technologies used:* Flutter, Provider

S.K.I.N

Built a cross-platform job seeker platform enabling users to browse job listings, create profiles, and connect with employers. Integrated **Firebase Authentication** for secure login and **Firebase Realtime Database** for real-time messaging between users and employers. *Technologies used:* Flutter, Provider, Firebase Authentication, Firebase Realtime Database

Education

Bachelor of Technology (B.Tech) in Computer Science 2024 – 2028

Sri Manakula Vinayagar Engineering College, Puducherry
Currently Pursuing

Diploma in Information Technology 2020 – 2023

Motilal Nehru Government Polytechnic College, Puducherry
Percentage: 78%

Languages

Tamil, English
